

VALENTINE - MÅNESKIN

Wasted in love, misunderstood
Baby, it's harder to breathe when you're gone
So I hold in my hands pictures of you
And dream of the day you were eating for two

All this love, I'm so choked up
I can feel you in my blood
All this lust for just one touch
I'm so scared to give you up

Valentine, my decline... Is so much better with you
Valentine, my decline... I'm always running to you
Valentine... Valentine

Crazy in love, daisy in bloom
Black hearts for pupils, I'm pacing the room
And I cover myself in tattoos of us
And dream of the day we embrace and combust

All this love, I'm so choked up
I can feel you in my blood
All this lust for just one touch
I'm so scared to give you up

Valentine, my decline... Is so much better with you
Valentine, my decline... I'm always running to you
Valentine... Valentine

All this love, all this love... All this love
All this love, all this love... All this love
